

## EC-Declaration of Incorporation - EN

We hereby declare, that the products and parts listed on page 2 are intended for installation in a machine and commissioning is prohibited until the complete machine has been found to be in accordance to the

**EC-Guideline for machines issue No 98/37/ECC**, (22.06.1998)  
amended by **guideline 98/79/EG** (10.03.2001)

Applied harmonized standards in particular  
EN 292-1/-2, EN 692 and EN 60204-1.  
In connection with EMV  
EN 55011 group 1 class A, EN 50081-2 and EN 61000-6-2.

Ortlinghaus-Werke GmbH

Wermelskirchen, 06.11.01

Director  
Dr. Bierlich

Design and Development  
Dr. Hämmerl

**Ortlinghaus products:**

**Plates:**

Plates with organic lining 5020- , asbestos-free

**Mechanically actuated Sinus multi-plate clutches and accessories:**

Series 0100 Sinus multi-plate clutches

Series 0300 Sinus multi-plate double clutches

Series 0186 Striker forks and actuator rings

**Electromagnetic clutches, brakes and tooth clutches:**

Series 0006 Electromagnetic slipping multi-plate clutches

Series 0008 Electromagnetic single-face clutches

Series 0009 Electromagnetic single-face brakes

Series 0010 Electromagnetic stationary field Sinus multi-plate clutches

Series 0011 Electromagnetic slipping Sinus multi-plate clutches

Series 0011 Electromagnetic Sinus multi-plate brakes

Series 0012 Electromagnetic slipping tooth clutches

Series 0013 Electromagnetic stationary field tooth clutches

Series 0028 Electromagnetic spring-applied multi-plate brakes

Series 0081 Electromagnetic single-face clutch/brake combined units

Series 0207 Electromagnetic spring-applied twin-face brakes

Series 0228 Electromagnetic spring-applied multi-plate brakes

**Hydraulically actuated clutches, brakes and clutch/brake combined units:**

Series 0002 Sinus multi-plate clutches

Series 0021 Sinus multi-plate clutches

Series 0022 Spring applied multi-plate brakes

Series 0023 Clutch/brake combined units

Series 0055 Linear motion lock

Series 0121 Sinus multi-plate clutches

Series 0123 Clutch/brake combined units

Series 0127 Hydraulically actuated clutches

Series 0128 Hydraulically released, spring applied brakes

Series 0224 Hydraulically actuated wet running clutches

Series 0225 Spring applied brakes for wet running

**Hydraulic components and accessories:**

Series 0086 Hydraulic power packs and components

Series 0086 Single-channel oil inlets

Series 0088 Oil inlets with double-channel or more

**Ortlinghaus products:**

**Pneumatically actuated clutches, brakes and clutch/brake combined units:**

- Series 0400 Single-plate clutch/brake combined units
- Series 0404 Clutch/brake combined units
- Series 0406 Single-plate clutch/brake combined units
- Series 0409 Multi-plate clutches
- Series 0410 Single-plate clutch
- Series 0411 Single-plate clutch
- Series 0412 Spring applied tooth clutches
- Series 0415 Spring applied multi-plate brakes
- Series 0417 Spring applied single-plate brakes
- Series 0418 Spring applied multi-plate brakes
- Series 0420 Single-plate clutch/brake combined units
- Series 0421 Sinus multi-plate clutches
- Series 0422 Spring applied multi-plate brakes
- Series 0424 Wet running clutch/brake combined units
- Series 0427 Multi-plate clutches
- Series 0428 Spring applied multi-plate brakes
- Series 0440 Single-plate clutches
- Series 0442 Multi-plate clutches
- Series 0444 Wet running high performance brakes
- Series 0450 Spring applied single-plate brakes
- Series 0452 Spring applied multi-plate brakes
- Series 0454 Tension brakes
- Series 0521 Sinus multi-plate clutches

**Pneumatic components and accessories:**

- Series 0086 Pneumatic components
- Series 0086 Single-channel air inlets
- Series 0087 Line tension control units

**Safety multi-plate slipping and starting clutches:**

- Series 0600 Multi-plate slipping clutches
- Series 0700 Multi-plate starting clutches

**Highly flexible couplings:**

- Series 0007 Highly flexible couplings

**Compact drives:**

- Series 0045 Compact drives, hydraulically actuated
- Series 0046 Compact drives, pneumatically actuated

**Special purpose clutches and -brakes:**

- Series 0990, 0991, 0992 , 0993 and 0994
